

Can you afford NOT to join?

Wadebridge is changing at a fast pace, some development enhances and other proposals threaten the unique character of our town. It is important for the Chamber to understand the needs of the local businesses and offer a view to influence key policy and decision makers. The Chamber has strong relationships with local and regional government and other institutions whose policies impact on the profit and progress of Wadebridge. Never before has there been a more important time for businesses in and around Wadebridge to join and have their voice heard.

Only together can we protect the vitality, viability and prosperity of Wadebridge.
